WHEREAS, the applicant has indicated that the STRAP number for the subject property is 20-46-24-W4-0110E.0190 and the legal description of the subject property is attached as *Exhibit A*; and

WHEREAS, the subject property, 450 Donora Blvd, Fort Myers Beach is located in the 'Residential Single-Family' zoning district of the Official Zoning Map and the 'Low Density' category of the Future Land Use Map of the Comprehensive Plan of the Town of Fort Myers Beach, Florida; and

WHEREAS, the Town Council determined it is in the best interest of the Town to approve the request.

NOW THEREFORE, BE IT ORDAINED by the Town Council of the Town of Fort Myers Beach, Florida, as follows:

DETERMINATION

Based upon the recommendations, testimony, and evidence presented by Town staff, LPA, and interested parties, the Town Council **APPROVES** the following:

- a. A variance from a variance from Sec. 34-653 Table 34-3, requiring a 20 foot setback from the rear property line, to allow a 19 foot setback.

RECOMMENDED FINDINGS AND CONCLUSIONS:

- A. There **are** exceptional or extraordinary conditions or circumstances that are inherent to the property in question, and the request **is** for a de minimis variance under circumstances or conditions where rigid compliance is not essential to protect public policy.
- B. The conditions justifying the variance **are not** the result of actions of the applicant taken after the adoption of the regulation in question.
- C. The variance granted **is** the minimum variance that will relieve the applicant of an unreasonable burden caused by the application of the regulation to the property in question.
- D. The granting of the variance **will not** be injurious to the neighborhood or otherwise detrimental to the public welfare.
- E. The conditions or circumstances on the specific piece of property for which the variance is sought **are not** of so general or recurrent a nature as to make it more reasonable and practical to amend the regulation in question.

CONDITIONS:

- 1. This variance does not include the vacation of the platted right-of-way.

The foregoing Resolution was adopted by the Town Council upon a motion by Member Cereceda and seconded by Mayor Gore, and upon being put to a vote, the result was as follows:
