**CASE TO BE HEARD:**     **VIOLATION NO.:** 70900804

TOWN OF FORT MYERS BEACH, FLORIDA

Petitioner,

vs.

Brian Denman

Respondent.

Ambassador Rediske stated that he issued a parking citation for a red Kia with a Florida license plate under Ordinance 03-056A for overtime meter. He noted that he did not have any interaction with the operator of the vehicle and he provided pictures of the meter.

Respondent indicated that he put money in the meter to last after 6:00 p.m. and he was back within 30 minutes. He stated that he knew the meters had been changed, but they were not plainly marked. He was not aware the meters were regulated between 9 a.m. to 9 p.m., and he felt the \$25.00 fine was unfair. Ambassador Rediske noted that the hours of regulation were displayed on the meters in small print.

Mr. Madden found that the violation did occur, Mr. Denman had seven days to pay the \$25.00 and he waived additional funds that could be imposed by the Magistrate for overtime meters. Due to the small print on the meters, Mr. Madden waived the judicial fine.
