**CASE TO BE HEARD:**     **VIOLATION NO.:** 71706821

TOWN OF FORT MYERS BEACH, FLORIDA

Petitioner,

vs.

?

Respondent.

Mr. Madden noted that the hearing had been rescheduled for at least one month.

Ambassador Cernoia stated that he issued parking citation 71706821 under Ordinance 03-05 3(2)H for a black Jeep with a jet ski and a trailer with license plate 790ST that was parked in a loading zone by S.O.B. restaurant on July 4, 2015 at 6:44 p.m. Mr. Cernoia noted that he did not have a conversation with the respondent.

Doug Malloy, Parking Leader, stated that the fine started at \$50.00 and could go up to \$100.00 with fees. Mr. Malloy noted that he spoke to the respondent and he was aware of the hearing.

Mr. Madden found that the appeal was filed timely and he found that, without the respondent in attendance, there was substantial evidence that the violation occurred. Mr. Madden stated that an order will be sent to the respondent to pay a total fine of \$100.00 within 10 days.
