RE: Special Exception FMBSEZ2008-0003 and Variance FMBVAR2008-0002;  
Administrative Deviations  
Request for continuance of January 12, 2010 LPA Hearing to October 12, 2010

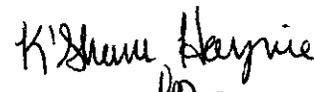

Dear Frank:

Pursuant to our meeting, we respectfully request a continuance of the LPA's hearing until October 12, 2010 on the above-referenced cases. This would be our one-time request for continuance.

After our meeting, we believe a continuance would be of value to provide the applicant time to review all options until the October 12, 2010 meeting.

Very truly yours,

ROETZEL & ANDRESS, LPA
